

Job specification

Forklift driver for on-site logistics

About us

GTP Schäfer is one of Europe's leading manufacturers of exothermic and insulating risers. Our risers are used for a wide range of castings in the engineering and automotive industries.

Thanks to our 30 year history as a family-owned and run business, we operate both innovatively and sustainably. Our worldwide operations offer a dynamic and fast-growing working environment. We are looking for committed people who are not afraid to take on responsibility. Would you like to be part of the next chapter in our company's history of success?

Your role

On-site logistics transport raw materials, half-finished products and finished products. The team is also responsible for loading and unloading lorries correctly and ensuring that loads are safe.

You would answer to the manager of on-site logistics.

Your tasks

- Loading and unloading lorries
- Order picking of finished products
- Preparing products for transport
- Storing raw materials, components and accessories

Your qualifications

- A valid forklift driving licence
- Experience in driving front- and side-reach trucks
- Good knowledge of the German language
- A certificate of completion of secondary education
- Knowledge of load safety would be an advantage
- You should be prepared to work shifts and weekends
- You should work reliably and independently
- You should understand the concept of service and be flexible
- You should be well organised
- A standard driving licence would be an advantage

We offer

- A dynamic and innovative team
- Room for your own ideas and for personal and professional development
- A friendly and respectful working atmosphere

- Flat hierarchies and high employee orientation

Please send your application by e-mail, stating your salary expectations and from when you would be available, to:

GTP Schäfer GmbH
