

Job specification

Green area maintainer (m/f/d)

- 450 € base -

About us:

GTP Schäfer GmbH is one of Europe's leading manufacturers of exothermic and insulating risers. For more than thirty years, our family business has been contributing with its risers to the manufacture and perfection of cast products for engineering and automotive construction.

Your position:

For our company site in Grevenbroich we are looking for a new colleague, also a pensioner, who will take care of our company site and its green areas with joy and commitment. You will independently take care of the friendly appearance of the green areas and outdoor facilities of the entire company premises.

Depending on the season, you will take care of the planting of the beds as well as the care of hedges and plants.

Your craftsmanship will also be required if minor repairs are required in your work area.

In your position you report to the management.

Your tasks:

About one day a week or two half days:

- Maintenance of the green areas on the company premises
- Cleaning of outdoor facilities
- Operating the machines and equipment in the task area

Your qualifications:

- Manual dexterity
- Independent and target-oriented way of working
- Basic knowledge in green maintenance (planting, pruning, etc.)
- Willingness to help

A class B driver's license would be desirable.

We offer:

- A varied field of work
- Room for your own ideas
- Flat hierarchies and high employee orientation
- A collegial working atmosphere

Please send your application by e-mail or post to your contact person at Mrs. Papay:

GTP Schäfer GmbH
